How to buy  bitcoin with Cash at our ATM

Step 1: Your Information
On the bitcoin ATM screen, click the buy bitcoins button to begin.
The ATM will ask you for your phone number and to create a PIN number for future transactions. Make sure to keep this number in a safe place.

Step 2: Scan Wallet
Click the request tab of your bitcoin wallet app to display your bitcoin wallet address and QR code. If you do not already have a wallet app we recommend the Bitcoin Depot Wallet.
Hold your phone below the scanner to scan the QR code.

Step 3: Deposit Cash
Insert the amount of cash for your desired purchase and click finish. Choose either a printed or e-mailed receipt for your records.

Step 4: Receive Bitcoin
The bitcoin ATM will send the bitcoin to your wallet instantly. It may take some time before your bitcoin is spendable depending on the speed of the bitcoin network.
